TIP

The Invisible Decrease (dec): Insert hook under front loop of first stitch AND front loop of second stitch. Pull through both loops (3 loops on hook). Pull yarn through all 3 loops in one motion. This creates a seamless decrease that won't leave visible holes.

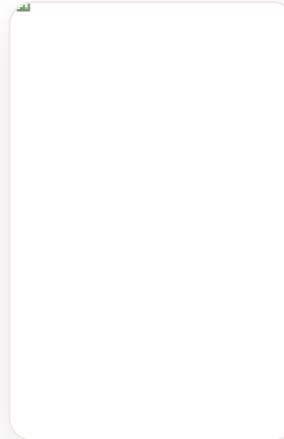

Pattern Notes

Construction Notes

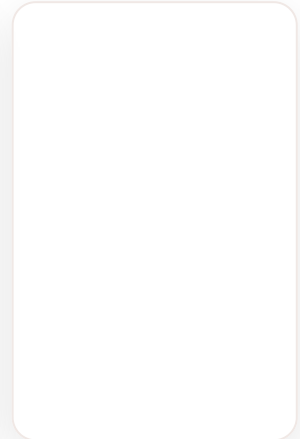

- ▶ This Embers Baby Dragon Pattern pattern is worked in continuous rounds (spiral) unless otherwise noted.
- ▶ Do NOT join at the end of each round unless the pattern specifically instructs you to.
- ▶ Use a stitch marker to mark the beginning of each round.
- ▶ All stitch counts are shown in parentheses at the end of each round, e.g., (18).
- ▶ All pieces are worked from the top down unless otherwise stated.

Yarn & Hook Notes

- ▶ Recommended yarn: Worsted Weight Acrylic Cotton
- ▶ Recommended hook: 3.5 mm
- ▶ For amigurumi: Use a hook 0.5mm smaller than label recommends for tighter tension.
- ▶ Cotton yarn gives the crispest stitch definition.

Assembly Guide

All pieces laid out for assembly

Positioning head on body

Checking symmetry before sewing

- 1 Lay all pieces out in front of you to visualize the final composition.
- 2 Position head on top of body, aligning center front. Pin with straight pins.
- 3 Using the long tail from the head, whip stitch head to body by working through the remaining open stitches of the head and corresponding stitches on the body top. Go around twice for security.
- 4 Sew arms to sides of body in Rnds 8–10 area.
- 5 Attach tail to center back of body at Rnd 3 area.
- 6 Sew horn(s) to top of head.
- 7 Sew wings symmetrically to back of body.
- 8 Embroider nose: With dark yarn, stitch a small triangle or "Y" shape between the eyes.
- 9 Embroider mouth: With dark yarn, stitch a curved smile below the nose.
- 10 Weave in all remaining ends securely.

 TIP

Pin all pieces in position before sewing a single stitch. Take a photo of the layout, then step back and check symmetry from a distance. This prevents the frustration of having to unpick assembled pieces.

Finishing Techniques

Weaving In Ends

- ▶ Thread the yarn tail onto a tapestry needle.
- ▶ Insert the needle through 3–4 stitches in one direction.
- ▶ Reverse direction and weave through 3–4 more stitches.
- ▶ Give the yarn a gentle tug to set it. Trim close to the fabric.
- ▶ Never cut the yarn too close — leave at least 2mm to prevent unraveling.

Invisible Closure

- ▶ Thread remaining 6-stitch tail onto tapestry needle.
- ▶ Insert needle through the front loop of each remaining stitch, going around the entire opening.
- ▶ Pull firmly to gather all loops together.
- ▶ Take one stitch across the closing point and pull through to reverse side.
- ▶ Weave in end through 4–5 internal stitches to secure.

TIP

For blocking: If your finished piece is cotton yarn, wet block it by soaking in cool water, pressing gently in a towel, then reshaping and pinning to final measurements. Allow to dry 12–24 hours for the best result.

Care Instructions

Washing

Hand wash gently in lukewarm water with mild detergent. Avoid wringing or twisting. For machine-washable yarn (check label), use a delicate cycle in a mesh laundry bag.

Drying

Lay flat to dry on a clean towel, reshaping while damp. Avoid direct sunlight to prevent color fading. Never tumble dry — this may cause felting or shape loss.

Spot Cleaning

For small stains, use a damp cloth with a tiny amount of mild soap. Dab gently — never rub. Allow to air dry completely before use.

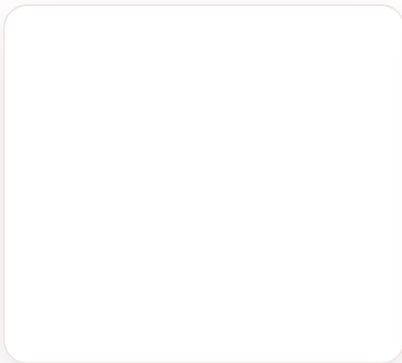

Storage

Store in a cool, dry place away from direct sunlight. Use breathable cotton bags — avoid plastic which can trap moisture. Keep away from moths.

Customization & Variations

Color Variations

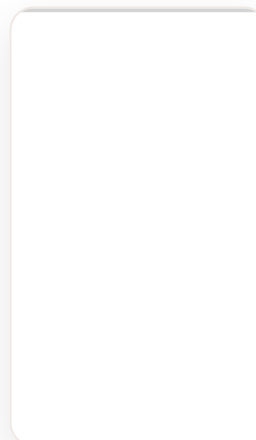

- ▶ Make a Embers Baby Dragon Pattern in a different color palette — try pastel rainbow or all-white for a cloud version.
- ▶ Scale up: Use bulky yarn and a 6mm hook for a jumbo Embers Baby Dragon Pattern that is twice the size.
- ▶ Scale down: Use fingering weight yarn and a 1.5mm hook to make a tiny Embers Baby Dragon Pattern charm for a keychain or necklace.
- ▶ Add embroidery details like blush cheeks, freckles, or patterned clothing with a sewing needle and embroidery floss.
- ▶ Try a variegated or self-striping yarn for a completely different look with no extra work.
- ▶ Use the same pattern in holiday colors — red/green for Christmas, orange/black for Halloween.

Yarn Substitution Guide

- ▶ Mohair blend: Halo effect, luxurious look.
- ▶ Merino wool: Natural fiber, may require gentle hand wash only.

FAQ & Troubleshooting

Q: My magic ring keeps opening up. How do I fix it?

A: After completing Rnd 1, use your tail end to tighten the ring by pulling it firmly. Then weave the tail end through 3–4 stitches of Rnd 1 and Rnd 2 to lock it in place permanently.

Q: My rounds are spiraling. Is that correct?

A: Yes! Amigurumi is typically worked in a continuous spiral without joining at the end of each round. Use a stitch marker to mark the beginning of each round so you can count correctly.

Q: I have gaps between my stitches. How do I fix them?

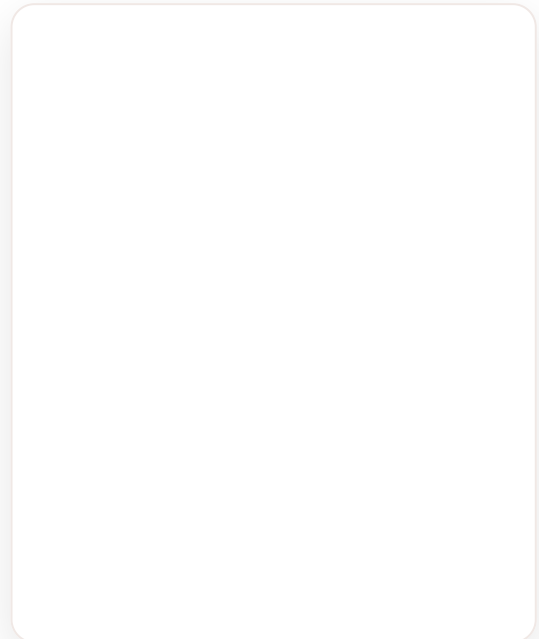

A: Use a hook one size smaller than recommended on the yarn label. For amigurumi, a 3.5mm hook with 4-weight yarn is often ideal. This creates a tight fabric that will hide your stuffing.

Q: How do I sew parts on evenly?

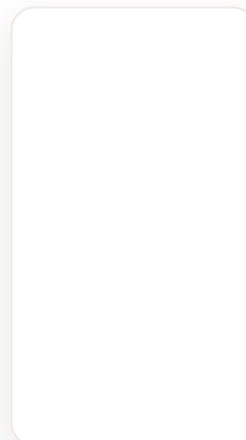

A: Always pin the piece in position first with straight sewing pins. Step back and look at the piece from a distance to check symmetry before sewing. Use a tapestry needle and the tail of the piece, stitching through both layers as you go around.

Q: I still have questions. Where can I get help?
