The Invisible Decrease (dec): Insert hook under front loop of first stitch AND front loop of second stitch. Pull through both loops (3 loops on hook). Pull yarn through all 3 loops in one motion. This creates a seamless decrease that won't leave visible holes.

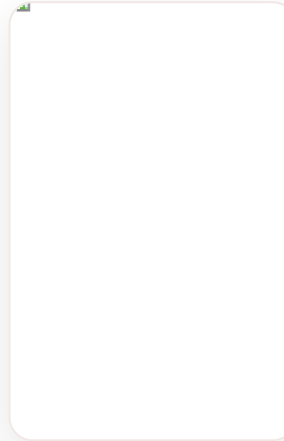

Pattern Notes

Construction Notes

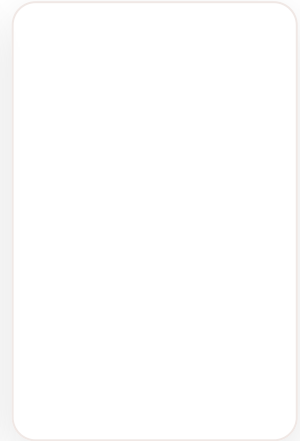

- ▶ This Daisy Bag pattern is worked in continuous rounds (spiral) unless otherwise noted.
- ▶ Do NOT join at the end of each round unless the pattern specifically instructs you to.
- ▶ Use a stitch marker to mark the beginning of each round.
- ▶ All stitch counts are shown in parentheses at the end of each round, e.g., (18).
- ▶ All pieces are worked from the top down unless otherwise stated.

Yarn & Hook Notes

- ▶ Recommended yarn: Worsted Weight
- ▶ Recommended hook: 4.0 mm
- ▶ For amigurumi: Use a hook 0.5mm smaller than label recommends for tighter tension.
- ▶ Cotton yarn gives the crispest stitch definition.
- ▶ Chenille/velvet yarn creates the fluffiest look but hides stitch detail.

Bag Body

Handles (×2)

Oval Base

Beginning of Oval Base — Oval base formed showing correct shape and stitch count

Ch 20 with MC.

Rnd 1: Sc in 2nd ch from hook, sc in next 17 ch, 3 sc in last ch. Working back along bottom of chain: sc in next 17 ch, 2 sc in first ch. Join to work in rnd. (40 sc)

Rnd 2: Inc, sc in next 17, inc 3 times, sc in next 17, inc twice. (46)

TIP

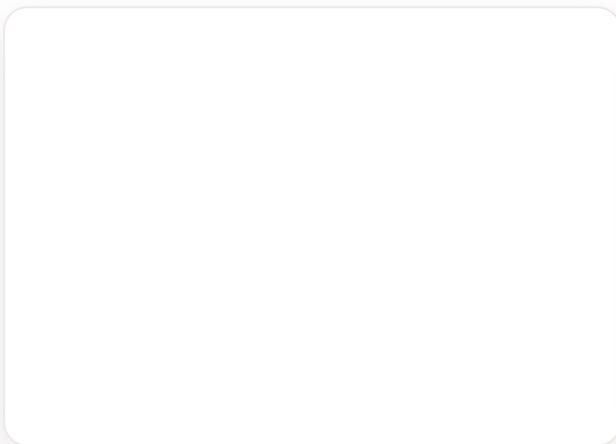

An oval base keeps the bag open and stable. If you prefer a round bottom, simply work rounds 1–6 as a flat circle instead.

Oval Base (continued)

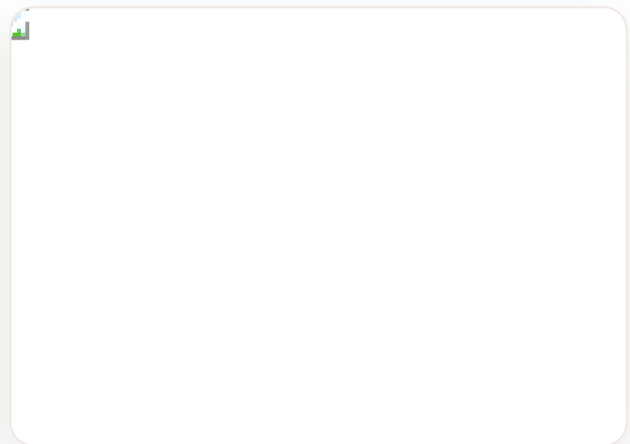

Rnd 3: Sc, inc, sc 17, *sc, inc* 3 times, sc 17, *sc, inc* twice. (52)

Rnd 4: Sc 2, inc, sc 17, *sc 2, inc* 3 times, sc 17, *sc 2, inc* twice. (58)

 STITCH NOTE: The daisy/flower stitch creates beautiful texture. Make sure to work the petals loosely — tight petals will not stand up properly.

Rnds 5–6: Sc in each st around. (58)

Repeat Rnds 3–6 until bag reaches 10 inches (25 cm) from base.

Final round: Sl st in each st around. Fasten off.

Assembly Guide

All pieces laid out for assembly

Positioning head on body

Checking symmetry before sewing

- 1 Mark the two short ends of the bag with stitch markers to indicate handle placement.
- 2 Position one handle with each end 2 inches in from the short-edge side markers.
- 3 Stitch each handle end to the inside of the bag top edge, sewing back and forth 3 times for security.
- 4 Optionally, reinforce handle attachment points with a small fabric patch on the inside.

TIP

Pin all pieces in position before sewing a single stitch. Take a photo of the layout, then step back and check symmetry from a distance. This prevents the frustration of having to unpick assembled pieces.

Finishing Techniques

Weaving In Ends

- ▶ Thread the yarn tail onto a tapestry needle.
- ▶ Insert the needle through 3–4 stitches in one direction.
- ▶ Reverse direction and weave through 3–4 more stitches.
- ▶ Give the yarn a gentle tug to set it. Trim close to the fabric.
- ▶ Never cut the yarn too close — leave at least 2mm to prevent unraveling.

Invisible Closure

- ▶ Thread remaining 6-stitch tail onto tapestry needle.
- ▶ Insert needle through the front loop of each remaining stitch, going around the entire opening.
- ▶ Pull firmly to gather all loops together.
- ▶ Take one stitch across the closing point and pull through to reverse side.
- ▶ Weave in end through 4–5 internal stitches to secure.

TIP

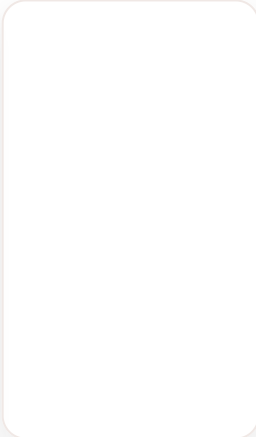

For blocking: If your finished piece is cotton yarn, wet block it by soaking in cool water, pressing gently in a towel, then reshaping and pinning to final measurements. Allow to dry 12–24 hours for the best result.

Care Instructions

Washing

Hand wash gently in lukewarm water with mild detergent. Avoid wringing or twisting. For machine-washable yarn (check label), use a delicate cycle in a mesh laundry bag.

Drying

Lay flat to dry on a clean towel, reshaping while damp. Avoid direct sunlight to prevent color fading. Never tumble dry — this may cause felting or shape loss.

Spot Cleaning

For small stains, use a damp cloth with a tiny amount of mild soap. Dab gently — never rub. Allow to air dry completely before use.

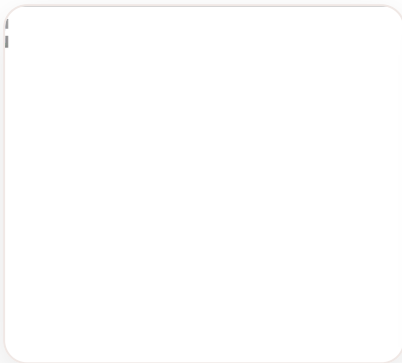

Storage

Store in a cool, dry place away from direct sunlight. Use breathable cotton bags — avoid plastic which can trap moisture. Keep away from moths.

FAQ & Troubleshooting

Q: My bag is too floppy. How do I add structure?

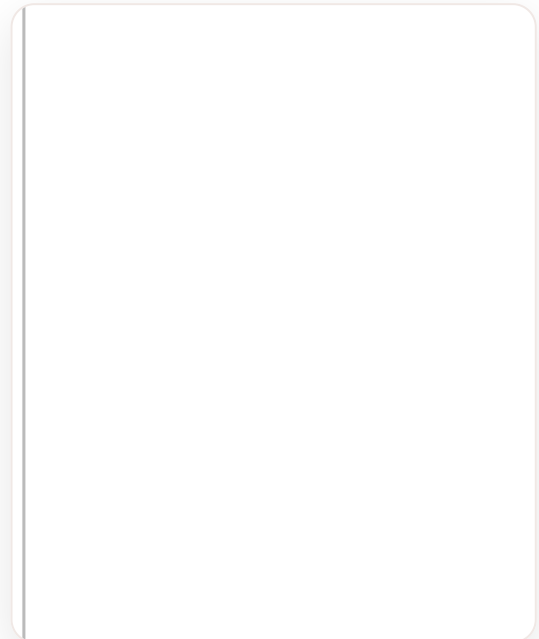

A: Cut a piece of stiff plastic canvas or cardboard to fit the base and insert it. For the body, spray heavily with starch and allow to dry on a can of the same diameter.

Q: How do I add a lining?

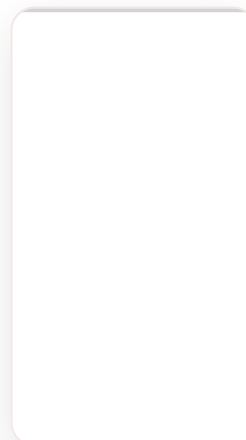

A: Cut a piece of fabric 1 inch larger than the bag body all around. Fold under edges, hand stitch to the inside top edge of the bag.

Q: I still have questions. Where can I get help?

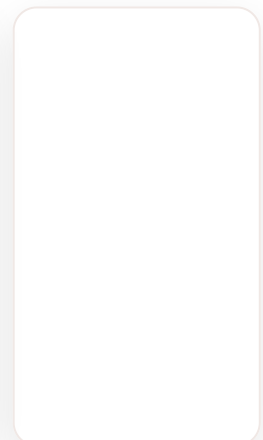

A: We love hearing from customers! Email us at hello@crochevia.shop or visit our store at crochevia.shop. We aim to respond within 24 hours.
